

Attributes

- **Compact lamp technology means high efficacy**
- **HF Electronic Control Gear**
- **Easy Installation**
- **Extremely low profile**
- **High Impact Resistance**

Description

A unique range of T5 fluorescent luminaires for mounting in school gymnasias and commercial sports halls. The luminaire uses high efficiency lamps with high frequency electronic control gear. The body is made from texture powder coated mild steel, and has polished aluminium reflectors to ensure maximum light output. The front cover is made from clear polycarbonate to resist impact from balls and other games objects. There are various sizes available to enable applications to be illuminated without dark patches between adjacent luminaires.
